St Stephens Community Academy

Our 'Local Offer' for Special Educational Needs and Disability (SEND)

Our local offer details the provision that we provide within the Academy and the services that we access in order to make the best endeavours to meet the needs of all children within the school, including those with additional needs and disabilities. This offer links with St Stephens Community Academy Improvement Plan and the Pupil Premium Improvement plan. It details the provision offered by the Academy, links to the performance management of all staff and ensures that the Academy Budget shows value for money. This plan details the provision we have in place to ensure that your child is included in the school's long-term aim, to be in the top 10% of schools Nationally. All staff and the Governors are involved in monitoring and evaluating the provision provided annually and are responsible collectively for the successful implementation of the offer to ensure success and achievement for all pupils including those with additional needs and disability. The plan links directly to our Special Educational Needs, Equality and Diversity and Pupil Premium Policies and encompasses the vision provided within these policies. The offer is monitored closely through evaluation on a regular basis by all involved. All staff are provided with relevant and appropriate training in order to ensure that they are taking their best endeavours to ensure that the offer detailed is being met at all times.

Answers to Frequently Asked Questions

1. How does your school know if children/young people need extra help?

Close tracking and monitoring against National Curriculum age related expectations

2. What should I do if I think my child may have special educational needs?

Make an appointment to talk to your child's class teacher to express your concerns, they will signpost you accordingly

3. Who/what is responsible for the progress and success of my child in school and matching the curriculum to my child's needs?

A close partnership must exist between yourself and the class teacher.

4. How will school staff support my child?

Close tracking, monitoring and tailoring of opportunities based on your child's needs accordingly

5. How will I know how my child is doing and how will you help me to support my child's learning?

By meeting your child's class teacher regularly and attending open school opportunities

6. What specialist services / SEND training and expertise are available at or accessed by your school?

Please refer to the family information service website (<http://cornwall.childrensservicedirectory.org.uk>) or talk to the SENDCo regarding additional services. All staff receive regular and appropriate SEND training as required.

7. How will my child be included in activities outside the classroom including school trips?

All children are involved in all activities where appropriate and suitable support put in place accordingly. All environments are made accessible and risk assessments are carried out accordingly.

8. How will school prepare and support my child through the transition from class to class, key stage to key stage and beyond?

Regular and thorough transition activities are provided for all children throughout the summer term and beyond.

9. How is the decision made about what type and how much support my child will receive?

This is dependent on your child's need, funding provided and what is appropriate and right at the current time for your child in close consultation with all involved with your child (outside agencies, family partnerships, teachers and all school staff)

10. Who can I contact for further information?

There is a great deal of advice on the Family Information Service website regarding additional needs <http://cornwall.childrensservicedirectory.org.uk> Alternatively please speak to your child's class teacher for signposting to additional services.
