Associated Academy Documents:	PE Provision Map 13/14/15/16

Academy PE Funding Overview:

2013-14

Number of Pupils and Sport Premium Grant Received:		
Total number of pupils on roll (Sept 2013)	191	
Lump sum amount received plus £5 per pupil (Yr 1 to 6)	£8000 + £830	
Total amount to be received:	£8830	

2014-15

Number of Pupils and Sport Premium Grant Received:		
Total number of pupils on roll (Sept 2013)	191	
Lump sum amount received plus £5 per pupil (Yr 1 to 6) £8000 + £820		
Total amount to be received:	£8820	

2015-16

Number of Pupils and Sport Premium Grant Received:		
Total number of pupils on roll (Sept 2015) 208		
Lump sum amount received plus £5 per pupil (Yr 1 to 6)	£8000+925	
Total amount to be received: £8925		

Academy Statement of Intent:

"To improve the quality, breadth and depth of PE and sport provision, including increasing participation in PE and sport so that all pupils develop healthy lifestyles and reach the performance level they are capable of."

Objectives:

To engage pupils and teachers in developing an enjoyable, high quality broad and balanced curriculum

To provide a well organised appropriate and enjoyable programme of competitions and festivals for all students

of all abilities, including those with SEND, at local and County level and linking to sport national bodies

To provide valuable opportunities to develop leadership programmes across all Key Stages

To ensure that all pupils of all abilities can transfer from their school activities to sustained community based sport

To ensure all pupils who are gifted and talented in PE and sport are identified and appropriately signposted to a suitable talent development programme

To ensure that more pupils take part more often in school and locally co-ordinated physical activity

To ensure that pupils and families are educated about the health related benefits of engaging regularly in sustained physical activity and dietary choices

To ensure that all stakeholders involved in the delivery of PE and sport share the vision and ambitions of this plan and work together to meet its aims

To maintain an effective PE and sport programme over the next three years making best value decisions on how to deploy funding

Academy Sport Premium Key Pupil Groups: 2013-16

Key Pupil Group:	Rationale for Selection:
Pupil Premium Grant (PPG)	To promote improved lifestyle choices through awareness and participation in extended sporting provision
Gifted and Talented (G+T)	Extending higher order PE specific skills and encourage access to high quality out of school provision
Lifestyle Awareness (LA)	To promote improved lifestyle choices through awareness and participation in extended sporting provision
Physical Development (PD)	To deliver specific co-ordination skill improvements and to increase regularity of access to sporting provision.

Summary of Proposed SSCA PE Improvement Spending Intentions 2013-2016:

Outline Plan 2013-14:

To improve the delivery of PE and sports lessons by investing in CPD and quality coaching to ensure that teaching is consistently good or better

To clearly map skills progression into our PE Scheme of Work ensuring in depth learning provision for Gifted and Talented pupils is effective

To provide in-school and after-school increased opportunities to participate in a variety of sporting clubs and local and County festivals and competitions

To maintain a commitment to partially supporting an annual unit of swimming provision for Key Stage 1 and 2

To purchase resources which meet and extend the learning needs of the pupils

To gain measurable data of pupils attitudes to PE, sport and health via an in school survey

To start to develop our own school based "Healthy Lifestyle" programme to improve understanding of the benefits of exercise, diet and well being

Funding to access additional sporting enrichment; sporting festivals, outdoor adventurous activities and high quality coaching

To target selected groups of pupils to ensure a personalised curriculum offer

Academy Sport Premium Key Progress and Impact Indicators: Annual Rolling Review

Progress and Impact Indicators:	2013-14 (Updated April 14)	2014-15 (Updated July 15)	2015-16 (Updated April 16)
1. Improvements	Audit of curriculum	Improve learning	1 x minibus has been
identified in Academy	provision and	opportunities for pupils	bought and is in use to
Improvement Plan	requirements was	through better access to	transport pupils across

	a consider a		the ADAMAT +
2. High quality	completed Specialist coaches have	extended experiential and sporting activities Due to the success of the	the ADMAT to sporting events. The purchase and installation of large play equipment/climbing wall is currently being investigated. Due to the number of
learning in PE and sport	been bought in to provide gymnastics, athletics, football, cricket and swimming. CPD in gymnastics, swimming, and outdoor learning has been accessed by staff through courses and further CPD has been gained by teachers observing the practices of the specialists working with our children. Swimming data is to be closely monitored so that progress of all children can be tracked. Groups of children not making progress will be given 'top op' lessons. E.g. Y5/6 pupils unable to swim 25m will swim with Y3/4 in Spring term. Children in Y3/4 who are unlikely to swim 25m by end if Y6 will swim with Y1/2 in summer term.	enhanced provision in gymnastics, athletics, cricket and games it was decided to continue the provision of specialist outside coaches. This was to provide the children with a range of experiential and sporting achievements and to continue staff CPD. Swimming was provided, with each child in Y1 – Y6 receiving 5 hours of pool time. A specialist swimming teacher, lifeguard and sole use of Launceston Leisure centre pool was maintained this year. Swimming data will continue to be monitored. PE co ordinator to monitor PE provision and quality assurance of outside providers.	new teaching staff starting in September it was decided to continue the provision of gymnastics, athletics, cricket and football with outside coaches. This is to continue to provide the children with a range of enhanced experiential and sporting achievements and to continue staff CPD with new and existing staff. Zero Gravity have provided multi skills and gymnastics sessions. All teachers, including NQT and non-specialist teachers, have benefitted from the input and are more confident to deliver such activities themselves. Athletics will be delivered in the summer term to classes 3 an4 (NQT and non PE specialist). PAFC have continued to provide lessons focussing on games skills using football as the medium. Children are motivated to perform well in these lessons and work well with the coaches. Generic striking and fielding skills delivered through cricket will be developed this summer with 6 weeks of coaching in KS2. A new system to baseline and follow swimming progress was introduced in the Autumn term. The

			format is to be used by all classes this year and
			then reviewed in July. Sessions for top up swimming for children in Y5/ 6 have been booked. Data gathered will highlight children who require this intervention.
3. Extended PE breadth of opportunity	All children in the school have accessed gymnastics and football provided by specialists. All children in years 1-6 have had a block of 10 swimming lessons. Children in KS2 have all received cricket coaching. Children in Y3/4 have received athletics coaching.	All children in the school have accessed gymnastics and football provided by specialists. All children in years 1-6 have had 5 hours of swimming lessons. Children in KS2 have all received cricket coaching. Children in Y3/4 have received athletics coaching. Wild tribe provision in ARB and class F is ongoing. AE has been assessed for wild tribe. 2 other teachers in KS1 have completed wild tribe training. An area devoted to wild tribe has been established in the school grounds Y6 pupils were offered and 12 children completed the course. Y6 pupils completed Young Leaders award Bikeability offered in Y6	Bikeability Y6 Swimming – 5 hours all classes Y1 to Y6. Top up swimming for children in Y5/6 who can't swim 25m planned for Summer term. Swimming for Foundation class being planned for September 2016. Wild tribe afternoons weekly for Foundation, Y1 and ARB are taking place. Y2 teacher to attend training in Summer term. Wild tribe conference attended by KM. All classes have taken part in ADMAT Wild tribe trust events. KS2 cricket coaching in Summer term. Multi sports festivals held at Launceston College for different year groups.
4. Impact on pupil achievement English and Maths	End of KS2 achievement in English and Maths was higher than previous year.	End of KS1 and KS2 data 2015 for maths and reading were between 70% and 90%	New Curriculum and assessment procedures in place. Data to be analysed at end of academic year.
5. Improving attendance rates	Attendance for all classes was higher in the academic year 2013-2014 than in the previous year.	Attendance for whole school was 95.3% Weekly attendance announced in Friday assemblies. Class with best attendance granted 15 mins extra playtime. New playground equipment for this purpose has been bought and was chosen by pupil forum. School attendance target for	Whole school target of 97% set for 2015-16 academic year. Weekly attendance winners are rewarded with 15 minutes extra outdoor play using the new equipment.

8. Increasing participation in competitive sport

School teams- netball, football, tag rugby, cross country, multi skills, athletics, hockey and cricket. These teams have included children from years 1-6. All children take part in a competitive sports afternoon. All children in KS2 took part in a competitive sports afternoon run by BTec PE students from Launceston College. Transport has been provided for children to participate in events e.g. minibus to St Austell for tag rugby. Once again we qualified for L2 and L3 events in Bude, Truro and Launceston.

School teams- netball, football, tag rugby, cross country, multi skills, athletics, hockey and cricket. These teams have included children from years 1-6. All children take part in a competitive sports afternoon. All children in KS2 took part in a competitive sports afternoon run by BTec PE students from Launceston College. The Y3/4 cricket team won the event held at Werrington Cricket Club Teams were entered into the North Cornwall games in tennis and hockey. The hockey team won the event and represented North Cornwall at The Cornwall

School Games. We won

bronze medals.

School teams have competed in the Launceston football and netball leagues: both have been won by St Stephens. KS1 and KS2 multi skills teams have competed in competitions at Launceston College. High 5 netball tournaments were competed in during March and were won at both local and North Cornwall level. The team has qualified for the Cornwall School Games in July 2016. Tag rugby team competed in Launceston tournament and came 2nd North Cornwall Games will be attended in May for tennis and hockey. PAFC tournaments x2 in Summer. Marjon hockey tournament in Summer. Y3/4 cricket team will enter a local competition hosted by Werrington Cricket Club as part of our link through the cricket coaching. All children will take part in a competitive sports afternoon in the Summer term. All children in KS2 will take part in a competitive sports afternoon run by BTec PE students from Launceston College. The Y6 pupils will then plan and lead a similar event for KS1 based on what they learn from taking part in the session run by older students. Athletics team will compete in the competition hosted by

Launceston College.

9. Improved personal fitness levels and skill development – positive pupil self-review outcomes	A survey of pupils in KS2 has shown that the vast majority of children love PE lessons and school sport. A high % of the children believe that they have got fitter this year because there have been more opportunities and that their skills have improved. The skills that the children say that they have made progress in include: throwing, catching, striking more accurately, swimming, gymnastics and taking more 'risks' when playing games.	A survey of pupils continues to show that the vast majority of pupils have a fantastic attitude to their PE lessons and school sport. Children believe that their level of activity and fitness has improved because of increased opportunities. The skills children say they have improved in include: netball, swimming, cricket, hockey, gymnastics and athletics.	Pupil voice/ survey to be completed by PE coordinator in Summer term
10. Improved participation in community sports clubs and events	Children at school attend these clubs: Southgate football, PAFC, Launceston Hockey, Launceston Swimming, Launceston tennis, martial arts and cricket. Children and parents have commented that their child now goes to a club because they have been introduced to the sport at St Stephens.	Children at school attend these clubs: Southgate football, PAFC, Launceston Hockey, Launceston Swimming, Launceston tennis, martial arts and cricket. Children and parents have commented that their child now goes to a club because they have been introduced to the sport at St Stephens. E.g. hockey, cricket and football	PAFC involvement at school has led to a large number of children attending their after school clubs held at St Stephens. Children also attend their development centre and holiday clubs held in the local area. Children from St Stephens continue to attend a range of community clubs which the school has links to.

2013/14 Spending Plan and Initial Impact Outcomes: Review 09/13 and 01/14

Pupil Groups 2013/14: Review 07/14

Key Pupil Group:	Impact Review:
Pupil Premium Grant	All children in this group have had access to the provision in school hours. Just over
(PPG)	50% of this group of pupils have taken part in clubs or teams this year. School are
	funding attendance at PAFC for pupil premium children as necessary. The children
	who have not been engaged in out of school hour's activities will be targeted next
	year. A change for life club will start in September and we will invite children to this
	club. New clubs will also start to try to provide a range of clubs for different age
	groups. For example KS1 multi skills and dance.
Gifted and Talented (G+T)	High quality PE provision for all has been provided for all groups. Children in this
	group have also had access to clubs where they join older, more able children than
	their own year group. For example 2 Y4 boys have trained and played for the Y5/6
	football team and a Y3 girl has trained with the Y5/6 netball club. This has also
	happened for cricket, athletics and hockey. All Identified children have represented
	school in teams this year apart from some in F & Y1. (85%)
Lifestyle Awareness (LA)	Lifestyle awareness has been promoted through the high profile of PE and sport in
	school. Bike-ability has been offered to children in Y5 and 6. Children know why
	exercise and healthy diet is important. This is also specifically taught in Y5, Y3 and Y1
	as part of topics/science. Some children in this group are not participating in
	extended sporting provision (50%). These children have been identified and when
	clubs start in September they will be encouraged to join them. The range of clubs
	will be extended to try to appeal to all children. Where groups of siblings don't
	attend an effort will be made to allow them to attend clubs on the same day/time.
Physical Development	For pupils in this group teachers have stated that the new provision in particular has
(PD)	been very good (Zero gravity). Swimming has also helped many of these children
	with being stronger and more confident. CPD for staff through observations of
	lessons has helped them to provide appropriate activities in addition to normal PE
	lessons.
	Children in the ARB have also accessed rebound therapy, swimming and a sports-
	ability festival. A new multi skills club will start in September.

2014/15 Spending Plan and Initial Impact Outcomes: Review 01/15 and 09/15

Financial Year: Sept 14/Review Sept 15

Pupil Groups 2014/15: Review 07/15

Key Pupil Group:	Impact Review:
Pupil Premium Grant	All children in this group have had access to the provision in school hours. Just over
(PPG)	60% of this group of pupils have taken part in clubs or teams this year. The increase
	has been partly due to the provision of a Change for Life club at KS2. School has
	funded a TA to attend PAFC to support PPG children helping them to access the

	club.
	School has also funded a TA to attend the Change for Life Club and Y3/4 football
	club again to support PPG children to attend. The children who have not been
	engaged in out of school hour's activities will be targeted next year. New clubs will
	also start to try to provide a range of clubs for different age groups. For example KS1
	multi skills and dance as part pf a creative arts club.
Gifted and Talented (G+T)	High quality PE provision for all has been provided for all groups. Children in this
	group have also had access to clubs where they join older, more able children than
	their own year group. For example a Y4 boys has trained and played for the Y5/6
	football team and a small group of Y4 girls have trained with the Y5/6 netball club.
	This has also happened for cricket, athletics and hockey. The school hockey team
	came 3 rd in Cornwall school Games. 2 boys in the team were part of the winning U10
	boys West of England team. All Identified KS2 children have represented school in
	teams this year.
Lifestyle Awareness (LA)	Lifestyle awareness has been promoted through the high profile of PE and sport in
, , , , ,	school. Bike-ability has been offered to children in Y6. Children know why exercise
	and healthy diet is important. This is also specifically taught in Y5, Y3 and Y1 as part
	of topics/science. Some children in this group were not participating in extended
	sporting provision These children were identified and encouraged to join the
	Change for Life Club. This club was run all year and identified children were
	encouraged to attend with a good level of participation as a result. A KS 1 multi
	skills club was also run and children invited to attend. Where groups of siblings
	didn't attend an effort was made to allow them to attend clubs on the same
	day/time. Cricket club on Friday lunchtime was very well attended with the groups
	· · · · · · · · · · · · · · · · · · ·
Physical Davolanmant	having to be split to allow all those who wanted to attend to be able to.
Physical Development (PD)	Once again, for pupils in this group teachers have stated that the provision by Zero
(PD)	Gravity (working on core strength and fundamental motor skills) has been very
	good. Swimming has also helped many of these children with being stronger and
	more confident. Bikeability has allowed some children to develop their basic skills in
	cycling. CPD for staff through observations of lessons has helped them to provide
	appropriate activities in addition to normal PE lessons.
	Children in the ARB have also accessed rebound therapy, swimming and a
	sportsability festival

2015/16 Spending Plan and Initial Impact Outcomes: Review due 01/16 and 07/16

Financial Year: Sept 15/Review Sept 16			
PE Funding Income Received: £8925			
Project:	Cost:	Objective:	Impact: Final Review due 07/16
Arena PE SLA	£400	Increase subject knowledge Develop subject leadership – sustainability of leadership	Staff CPD opportunities eg swimming, wild tribe, dance, PE schemes of work, wild tribe conference. PE coordinator has attended conference and PE schemes of work launch Ongoing updates and support as part of Arena North Cornwall Games/ Cornwall School Games
Launceston College PE Festivals	£600	Increase participation and variety in PE Provide regular competitive sport opportunities	Multi sports festivals: orienteering, hockey, volleyball, tag rugby, High 5, badminton. Dance and gymnastics clubs. Range of competitions.
Plymouth Argyle Coaching	£600 per term	Increase weekly participation and variety in PE	Role models The high attendance levels at after school clubs is due to the provision in

			curriculum time as the children are familiar with the coaches, the style of lessons and environment.
Worth Cricket Academy Coaching (link to Local Club)	£700	Increase participation and variety in PE Community	
Zero Gravity Gymnastics, athletics and core skills Coaching	£600 per term	Increase participation and variety in PE	Gifted and Talented pupil group receiving extended learning opportunities Staff CPD – 4 x new staff members including NQT Gymnastics/athletics skills taught by specialists
CPD and Staff Training	£700	Increase subject knowledge Develop subject leadership Ensure sport specific skills are delivered by competent staff Ensure progression and assessment are embedded	Ongoing - Subject leadership being developed continuously through external CPD and cascaded training for staff Ongoing - Curriculum provision being enhanced through wider sporting coaching and competitive activities Ongoing - QA of PE lessons improving Ongoing - PE SoL progression focussing on specific sporting skills Ongoing - Specific staff training for improvement areas completed e.g. gymnastics Ongoing - Outdoor learning developed through "wild tribe" training
Equipment – Access	£1900	Improve curriculum breadth Increase activity at playtimes and lunchtimes	Climbing wall and large play equipment for KS1 to be investigated/ planned for Summer term.
Support Staff	£750	To support PPG children to access after school clubs 1 x LSA for weekly swimming	LSA support for after school clubs for PPG children. Clubs include PAFC, dance and gymnastics
Swimming	£25 weekly	1 x LSA for weekly swimming Increase pupils abilities to swim and over the longer term ensure that all can swim 25 metres by end KS2	All KS2 classes 5 week (hourly sessions) swimming block completed KS1 5 week (hourly sessions) swimming block planned Top up swimming planned for Y5/6 pupils in Summer term.
ARB	£300	Rebound Therapy Improve curriculum breadth	Hire of hall and trampolines at Launceston Leisure Centre: Extended breadth of sporting opportunity.
ARB	£100	Sports-ability Festival attendance for ARB pupils	Transport and staffing costs: extend range of sporting opportunities for all pupils.
Total Current Spend	£9, 050
