*"Together towards a bright, positive and successful future"*

Friday 3rd March 2017

Dear Parents,

Welcome back after half term. I would like to say a huge thank you for all the well wishes and congratulations that I have received from everyone. We had a very lovely wedding day and mini moon break. The children are doing especially well with remembering my new name— hopefully I will follow suit too! The children have come back very refreshed from their half term break and there is a great learning atmosphere across the school. Thank you to those parents who have attended our parent information meetings for Year 2 and 6. Hopefully you are now fully informed on those National Assessments. Year 5 have been working on their opera project and some new clubs have started this half term, so its already looking a full diary with exciting learning opportunities and special events! Please note down the upcoming events in your diary. Hopefully you all received your paper diary date letters. Please keep your details updated in the office as we really cannot send out communications if we do not have your updated details.

Regards, Mrs Saunders

**Academy School Improvement:** We have been focusing on pupil progress meetings this fortnight. This is where the class teacher meets with Mrs Saunders to discuss class progress and attainment. We are pleased to share the children are doing really well with their learning in all subjects.

## Attendance

Wk Ending  
24th February 2017

CLASS F	87.1%
CLASS 1	84.8%
CLASS 2	93.8%
CLASS 3	99.3%

CLASS 5	96.1%
CLASS 6	93.8%
CLASS 7	81.3%

## Parking and Traffic

You are all aware that sadly traffic outside of our school gets very busy. We have recently been informed by the Council that our painted school marking lines will be refreshed and we will be getting a new parking sign to remind people to not park on our school markings. We also recommend that people do not park on the corner of the road as this blocks drivers vision. Please can we request that people do park considerately and not block in our neighbours. We also remind people that our parking is for our staff and people with parking permits. Please help us to keep a safe site.

## Social Media

Hopefully you received our recent letter providing information about our social media policy for staff, children and parents. This policy can be found on our website. Whilst social media is a valuable tool, it does need to be used with care and consideration towards the organisation and their staff.

Please do contact the class teacher with any queries that you have in the first instance. If you would like further information please then contact either Mrs Baxter (PSA) or Mrs Bartlett (SENDICO). Finally, then Ms Neale or Mrs Saunders as Senior Leaders. The Governors are also available should you have any further queries.

### Attendance Reminder

Attendance at SSCA is important and we still have children who do not have 97% plus as an attendance figure. Let us know if we can help.

### Online Safety

We understand that some children may be accessing You Tube. We would strongly advise that they do not do this unless supervised by an adult. We would encourage children to use the Children's You Tube instead. Please can parents check their controls on tablets and mobile phones to ensure that children are unable to access inappropriate material on Facebook.

There is a wealth of information to support parents in keeping their children safe online. Some useful websites are the NSPCC <https://www.nspcc.org.uk/preventing-abuse/keeping-children-safe/online-safety/> and Think U Know <https://www.thinkuknow.co.uk/parents/>.

We are hoping to hold a Parent's Online Safety Information Session in the near future - date to follow.

### Uniform

Please can we remind parents and children to come into school and check our overflowing lost property outside Year 2 and 3. We will try to send out texts to remind you all to collect items. We will soon move this to outside Year F to help keep our school tidy. We also will be displaying uniform at some of our events to help you. Please do ensure all belongings have names on them. It is essential that children wear the correct school uniform and are well presented. Please do see the school office or Mrs Baxter if this is difficult. Many thanks.

### Pupil Forum

Marhamchurch primary school's pupil forum came to visit St. Stephens on Wednesday. The students shared how their pupil forums ran and what they have been up to. It was a beneficial visit and we are looking forward to seeing them again.

On Tuesday 28<sup>th</sup> February, Year F visited Tinhays Building Supplies in Newport Industrial Estate as their class topic is 'Builders'. The children had the opportunity to have a tour of the shop inside and outside to see all of the different items which they sell as well as asking all of the questions they had thought of. A big thank you to Tinhays for taking time out of their busy day to allow Year F to visit. Also a big thank you to our parent volunteers for accompanying us on the trip. The children learnt lots, listened well and behaved wonderfully!

### Morning Playground

We have kindly asked the children to not play football in the Key Stage One playground in the morning before school. A number of parents are concerned that children could get injured. Please can you support the children to be respectful until the gates open at 8.45am.

### UNICEF

This week in school we have been focusing on **Article 28** of the Convention on the Rights of a Child: 'Every child has the right to an education.'

Our steering group met this week to create a 'Visitor Charter' which outlines the responsibilities of visitors to our school. This charter is now displayed in the foyer by the school office on our UNICEF board. Our steering group have also ordered new blue caps which will replace the current 'yellow caps'. These are currently worn by some Key Stage 2 children when supporting children in the infant playground during lunchtimes. These 'yellow cap' children will now be known as 'Peer Mediators' and their role will be of a similar nature to their current one. This includes creating games for the younger children and trying to help them solve any friendship disagreements they may have.

### Gardening Club – Key Stage 2

Any donations of plants (not seeds) would be gratefully received to plant up pots throughout the school. These should be passed to Mrs Fry or Mrs Grime. Many thanks.

Well done to the Year 5/6 football team who had a narrow defeat against St Catherine's. Both teams showed fantastic sportsmanship and team work.

### Food Bank

We have been asked to share that Launceston Foodbank are looking for volunteers to help. Please get in touch with them with your CV. This would be a great opportunity for someone looking for work.
