

Topic Homework: Summer term

This term our topic is 'What do you aspire to be?' We will be looking at what you want to be/be like when you are older in terms of jobs, health, money etc. Part of the topic will focus on your interests and skills.

I want you to create something that allows you to explore your interests and skills - it may be related to what you want to be when you are older or just something that demonstrates your interests or skills. It must be something that is completed by you and that you can bring into school.

Examples:

- A project/PowerPoint about an interest, e.g. animals, cars, a sport, etc.
- Something you have made, e.g. model, papier-mâché, drawing, painting, collage, etc.

I am sure you have lots of good ideas. I would like you to have a think about it this week and be ready to start it next week.

Your project will need to be handed in on Friday 10th July.

Ensure your homework demonstrates that you have spent adequate time on it as you have nearly a term to complete it.

Be creative and have fun! ☺

Mrs Bassett
