

## Year 1 - Home Learning Grid

### Autumn 1 - Why do we love being beside the sea so much?

In addition to daily reading, please complete one of the English or Maths activities each week (they can be done in any order).

Learning can be recorded in any format in addition to your home learning book (e.g photos, models etc).

Please can home learning be handed in on Wednesdays, I will then feedback and return on the Friday.

	1	2	3	4
Maths	Practice number formation from 0-10.	Count and write numbers to 10, forwards and backwards, starting at different numbers.	Whitney says,  When counting forwards, we always count from 0 Do you agree? Explain why.	How many ways can you represent the number 9? You could use bar models, part whole models, number bonds, pictorals and anything else you can think of!
English	Practise letter formation using cursive handwriting. You could use rainbow colours!	Practise reading and writing the Year 1 common exception words. Test yourself - how many do you know?	Create an alternative front cover to your favourite book. Can you discuss why this is your favourite story?	Write a few sentences about your house - what road do you live on, what type of house do you live in, who lives nearby?
Topic (Independent)	Speak to other members of your family about their trips to the seaside. What do they like about the seaside? Do you like the same things?	Using geographical vocabulary, can you describe human and physical features of the seaside?	Create a piece of seaside art. You could paint a picture, or use collage, you could even take a photo of some artwork you create at the beach using pebbles and shells!	Create a scrap book or photo page of some of your trips to the seaside to share with the class.
