

St Stephens Community Academy. Homework Menu. Year Two. Summer 2. Journeys

The aim of this homework is to build upon the skills that are your strengths and also to improve those areas where you may feel less confident.

We are not suggesting doing all these jobs. We would suggest 3 verbal sessions a week, 1 Maths and we leave the other choice of activities for you to decide.

Multiple Intelligences		Easiest			Hardest
Verbal I enjoy reading, writing & speaking	Reading	Read all of the Year 2 Common Exception Words.	Read your school library book.	Find a book that you haven't read before and make a prediction based on the front cover. Remember to explain why.	Read a book from an author that you wouldn't normally read. Write a short paragraph about the book.
	Handwriting and Writing	Copy the first page of a favourite book using cursive handwriting.	Write a list of adjectives to describe how a mode of transport might look, smell and sound.	Where did you go on your longest journey? What type of transport did you use? Write a non-chronological report to explain.	Write an adventure story using any type of transport.
	Phonics and Spelling	Diamond write 5 of the Year 2 Common Exception Words.	Choose 5 of the Year 2 Common Exception Words and put them each into an silly sentence.	Make a list of different types of transport. Put them into alphabetical order.	Find 5 words that you can add the suffix -ment to (e.g merriment) and put them each into a sentence.
Mathematical- I enjoy working with numbers & science		Practice your 2, 3, 5 and 10 multiplication facts.	My Maths.	Use a fact $20 \times 3 = 60$ Use this fact to work out $21 \times 3 =$ $22 \times 3 =$ $23 \times 3 =$ $24 \times 3 =$	<u>True or false?</u> There are no numbers in the three times table that are also in the two times table.
Family Learning Projects: Visual I enjoy painting, drawing & visualising		Make a safety poster about crossing the road safely.	Draw a map to show your journey to school.	Can you make a boat by just folding one piece of A4 paper?	Make a picture of mode of transport using a computer programme.
Family Learning Projects: Kinaesthetic I enjoy doing hands-on activities		Count and record the traffic that passes by your house in a tally chart. Can you put this into a graph?	Design your own vehicle that could travel on land and sea and label it.	Create a timeline showing the history of aeroplanes.	Create a 3D model of your favourite type of transport using materials of your choice.
Musical I enjoy making & Listening to music		Listen to some different songs. Can you clap the beat? Can you clap the rhythm?	Learn a simple song about transport to perform to the class	Create your own song to learn the three times table.	Make your own musical instrument using a cardboard container and some rice/pasta. Remember to decorate your instrument.
