St Stephens Community Academy. Homework Menu. Year Two. Summer 1. Globe Trotters

The aim of this homework is to build upon the skills that are your strengths and also to improve those areas where you may feel less confident.

We are not suggesting doing all these jobs. We would suggest 3 verbal sessions a week, 1 Maths and we leave the other choice of activities for you to decide.

Multiple Intelligences		Easiest			Hardest
Verbal I enjoy reading, writing & speaking	Reading	Read all of the focus words in the front of your home learning book.	Read some animal poems and write down your favourite, explaining why you like it.	Read a book written by Julia Donaldson (we have some in school that you can borrow). Record yourself reading it and send it to ststephens@andaras.org for us to add to your school learning.	Read a chapter book that has an animal as a main character. Write a paragraph to summarise to story.
	Handwriting and Writing	Choose an animal. Write one sentence about that animal in the past tense, one in the present tense and one in the future tense.	Choose an animal. Write 2 sentences to show each sentence type – statement, command, question, exclamation.	Write a short story about an animal going on a journey.	Create a set of 5 Top Trump cards about a category of animals (mammals, reptiles, insects, birds, fish etc)
	Phonics and Spelling	Pyramid write 10 of the focus words in the front of your home learning book.	Learn to spell all of the days of the week and the months of the year.	Make a list of different types of animals. Put them into alphabetical order.	Make a list of as many words with the un prefix. how does adding the prefix un change a word?
Mathematical– I enjoy working with numbers & science		Practice your 2, 3, 5 and 10 multiplication facts. MyMaths.	Record different times of the day that are important to you. For example, what time do you go to bed?	Choose an amount of money between 70p and £1.50. Can you think of different combinations of coins to make that amount?	Write a list of the 2D and 3-D shapes that you can see around your house
Family Learning Projects: Visual I enjoy painting, drawing & visualising		Sketch a picture of an animal of your choice. Try to use some shading in your picture.	Create an information poster about an animal that you are really interested in..	Create a model of an animal of your choice using whichever material you would like.	Make a picture of an animal using a computer programme.
Family Learning Projects: Kinaesthetic I enjoy doing hands-on activities		Listen and dance to the minibeast dances on https://www.bbc.co.uk/programmes/b03g6hf4	Go on a minibeast hunt and record the minibeast that you found and where you found them.	Create a mask to show the face and features of an animal of your choice.	Choose a habitat (e.g rainforest) Create that habitat within a shoe box.
Musical I enjoy making & Listening to music		Listen to the Anansi songs on https://www.bbc.co.uk/programmes/p072j4zd	Listen to some different songs. Can you clap the beat? Can you clap the rhythm?	Listen to different types of music. Can you move like different animals to that music?	Choose an animal poem to learn off by heart to recite to the class. Can you add music?
