## Academy Statement of Intent:

<b>“To improve the quality, breadth and depth of PE and sport provision, including increasing participation in PE and sport so that all pupils develop healthy lifestyles and reach the performance level they are capable of.”</b>
<b>Objectives:</b>
To engage pupils and teachers in developing an enjoyable, high quality broad and balanced curriculum
To provide a well organised appropriate and enjoyable programme of competitions and festivals for all students of all abilities, including those with SEND, at local and County level and linking to sport national bodies
To provide valuable opportunities to develop leadership programmes across all Key Stages
To ensure that all pupils of all abilities can transfer from their school activities to sustained community based sport
To ensure all pupils who are gifted and talented in PE and sport are identified and appropriately signposted to a suitable talent development programme
To ensure that more pupils take part more often in school and locally co-ordinated physical activity
To ensure that pupils and families are educated about the health related benefits of engaging regularly in sustained physical activity and dietary choices
To ensure that all stakeholders involved in the delivery of PE and sport share the vision and ambitions of this plan and work together to meet its aims
To maintain an effective PE and sport programme over the next three years making best value decisions on how to deploy funding

## Academy Sport Premium Key Pupil Groups: 2013-16

<b>Key Pupil Group:</b>	<b>Rationale for Selection:</b>
<b>Pupil Premium Grant (PPG)</b>	To promote improved lifestyle choices through awareness and participation in extended sporting provision
<b>Gifted and Talented (G+T)</b>	Extending higher order PE specific skills and encourage access to high quality out of school provision
<b>Lifestyle Awareness (LA)</b>	To promote improved lifestyle choices through awareness and participation in extended sporting provision
<b>Physical Development (PD)</b>	To deliver specific co-ordination skill improvements and to increase regularity of access to sporting provision.

## Summary of Proposed SSICA PE Improvement Spending Intentions 2013-2016:

<b>Outline Plan 2013-14:</b>
To improve the delivery of PE and sports lessons by investing in CPD and quality coaching to ensure that teaching is consistently good or better
To clearly map skills progression into our PE Scheme of Work ensuring in depth learning provision for Gifted and Talented pupils is effective
To provide in-school and after-school increased opportunities to participate in a variety of sporting clubs and local and County festivals and competitions
To maintain a commitment to partially supporting an annual unit of swimming provision for Key Stage 1 and 2
To purchase resources which meet and extend the learning needs of the pupils
To gain measurable data of pupils attitudes to PE, sport and health via an in school survey
To start to develop our own school based "Healthy Lifestyle" programme to improve understanding of the benefits of exercise, diet and well being
Funding to access additional sporting enrichment ; sporting festivals, outdoor adventurous activities and high quality coaching
To target selected groups of pupils to ensure a personalised curriculum offer

## Academy Sport Premium Key Progress and Impact Indicators: Annual Rolling Review

Progress and Impact Indicators:	2013-14 (Updated April 14)	2014-15 (Updated July 15)	2015-16 (Updated July 16)
<b>1. Improvements identified in Academy Improvement Plan</b>	Audit of curriculum provision and requirements was completed	Improve learning opportunities for pupils through better access to extended experiential and sporting activities	1 x minibus has been bought and is in use to transport pupils across the ADMAT to sporting events. The purchase and installation of large play equipment/climbing wall is currently being investigated.
<b>2. High quality learning in PE and sport</b>	Specialist coaches have been bought in to provide gymnastics, athletics, football, cricket and swimming. CPD in gymnastics, swimming, and outdoor learning has been accessed by staff through courses and further CPD has been gained by teachers observing the practices of the specialists working with our children. Swimming data is to be closely monitored so that progress of all children can be tracked. Groups of children not making progress will be given 'top up' lessons. E.g. Y5/6 pupils unable to swim 25m will swim with Y3/4 in Spring term. Children in Y3/4 who are unlikely to swim 25m by end of Y6 will swim with Y1/2 in summer term.	Due to the success of the enhanced provision in gymnastics, athletics, cricket and games it was decided to continue the provision of specialist outside coaches. This was to provide the children with a range of experiential and sporting achievements and to continue staff CPD. Swimming was provided, with each child in Y1 – Y6 receiving 5 hours of pool time. A specialist swimming teacher, lifeguard and sole use of Launceston Leisure centre pool was maintained this year. Swimming data will continue to be monitored. PE co ordinator to monitor PE provision and quality assurance of outside providers.	Due to the number of new teaching staff starting in September 2015 it was decided to continue the provision of gymnastics, athletics, cricket and football with outside coaches. This was to continue to provide the children with a range of enhanced experiential and sporting achievements and to continue staff CPD with new and existing staff. Zero Gravity have provided multi skills, athletics and gymnastics sessions. All teachers, including NQT and non-specialist teachers, have benefitted from the input and are more confident to deliver such activities themselves. This provision will not continue next year. Alternative provision such as yoga is being investigated. PAFC have continued to provide lessons focussing on games skills using football as the medium. Children are motivated to perform well in these lessons and work well with the coaches. Generic striking and fielding skills delivered through cricket have been developed this

			<p>summer with 6 weeks of coaching in KS2.</p> <p>A new system to baseline and follow swimming progress was introduced in the Autumn term. The format is to be used by all classes this year and data saved on the staff shared system for the PE co coordinator to analyse ready for September.</p> <p>Sessions for top up swimming for children in Y5/ 6 were run in June. The data gathered highlighted children who required this intervention.</p>
<b>3. Extended PE breadth of opportunity</b>	<p>All children in the school have accessed gymnastics and football provided by specialists. All children in years 1-6 have had a block of 10 swimming lessons. Children in KS2 have all received cricket coaching. Children in Y3/4 have received athletics coaching.</p>	<p>All children in the school have accessed gymnastics and football provided by specialists. Y2 teacher attended training in Summer term. Wild tribe conference attended by KM. All classes have taken part in ADMAT Wild tribe trust events. KS2 cricket coaching in Summer term.</p> <p>Multi sports festivals held at Launceston College for different year groups.</p>
<b>4. Impact on pupil achievement English and Maths</b>	<p>End of KS2 achievement in English and Maths was higher than previous year.</p>	<p>End of KS1 and KS2 data 2015 for maths and reading were between 70% and 90%</p>	<p>New Curriculum and assessment procedures in place. Headline data KS2 2015/2016 in line with or above national average.</p>

<b>5. Improving attendance rates</b>	Attendance for all classes was higher in the academic year 2013-2014 than in the previous year.	Attendance for whole school was 95.3% Weekly attendance announced in Friday assemblies. Class with best attendance granted 15 mins extra playtime. New playground equipment for this purpose has been bought and was chosen by pupil forum. School attendance target for 2015/16 has been set at 97% PAFC provision and after school club is on a Friday – this may encourage Friday attendance.	Whole school target of 97% set for 2015-16 academic year. Weekly attendance winners are rewarded with 15 minutes extra outdoor play using the new equipment. Whole school attendance 2015/2016 = 95.2%
<b>6. Positive “Me and My Lifestyle” pupil attitude survey outcomes</b>	Survey has been purchased and is to be started in September 2014. Survey was sampled with a group of Y6 pupils. It was difficult for the children to access independently and it was decided not to continue with this format and to develop our own questions for use with the children /as a whole class and for use as discussion points for younger children.	In house survey used to ask pupils about their attitudes to PE and sport at St Stephens. The responses to this show a large majority of children thoroughly enjoy PE, feel that they have learnt new skills and feel fitter.	Pupil voice surveys have shown that a vast majority of pupils thoroughly enjoy PE, feel that they have learnt new skills and feel fitter once again! Cricket and Plymouth Argyle Football are popular with children who are fully engaged in lessons and physically active. Staff voice very positive about both providers too. School teams are very successful which gives a very positive view of the school “ We are good at PE and win lots of medals” KS1 child During Year 6 leaver’s assembly sporting achievements are frequently mentioned and the successes of teams celebrated once again as the pupils are so proud.
<b>7. Improved rate of attendance at out of school hours clubs</b>	6 PE clubs have run this year. Clubs have been available for Years 1-6. Approximately 90 children have joined clubs. New clubs this year have been football for Y3/4, PAFC, dance and gymnastics through package offered by Launceston College. Copies of club lists are	81% of PPG children attended an after school PE club. Year 6 – 86% Year 5 – 88% Year 4 – 88% Year 3- 100% Year 2- 60% Year 1 – 64% F – 67% Change for life club was started and pupil groups	Clubs on offer this year: Y3/4 football Y5/6 football Y5/6 netball PAFC all years  Tag rugby Y4,5,6 Hockey Y4,5,6  Dance Y3/4 (Launceston College)

This was to help with activities at lunchtimes keeping children fit and active and engaging in games.</p> <p>16 Y6 pupils completed the Young Leaders course. They were then used as volunteers leading games at lunchtimes.</p>	<p>Gymnastics Y5/6 (Launceston College)</p> <p>50 children attended after school PAFC in the Spring term. Slightly lower figures for Autumn and Summer but both around 40.</p> <p>Sessions are led by PAFC but school provides 1 x LSA and PE co coordinator on site to supervise the smooth running of this club due to the fantastic number of children attending from F to Y6.</p> <p>Clubs for the Summer included girls 'cricket and KS1 dance.</p>
<b>8. Increasing participation in competitive sport</b>	<p>School teams- netball, football, tag rugby, cross country, multi skills, athletics, hockey and cricket. These teams have included children from years 1-6.</p> <p>All children take part in a competitive sports afternoon. All children in KS2 took part in a competitive sports afternoon run by BTec PE students from Launceston College. Transport has been provided for children to participate in events e.g. minibus to St Austell for tag rugby. Once again we qualified for L2 and L3 events in Bude, Truro and Launceston.</p>	<p>School teams- netball, football, tag rugby, cross country, multi skills, athletics, hockey and cricket. 			<p>PAFC tournaments x2 in Summer. The boys were runners up and the girls won. We fielded 2 girls' teams and this event has been mentioned by several Year 6 pupils as their greatest achievement.</p> <p>Y3/4 cricket team entered a local competition hosted by Werrington Cricket Club as part of our link through the cricket coaching. Unfortunately bad weather cancelled the competition.</p> <p>All children took part in a competitive sports afternoon in the Summer term. All children in KS2 will take part in a competitive sports afternoon run by BTec PE students from Launceston College. The Y6 pupils lead a similar event for Y3 pupils from all the ADMAT schools based on what they learn from taking part in the session run by older students. This was very successful and the Y6 leaders were fantastic.</p> <p>Athletics team did not compete in the competition hosted by Launceston College as rain postponed the event.</p>
<b>9. Improved personal fitness levels and skill development – positive pupil self-review outcomes</b>	A survey of pupils in KS2 has shown that the vast majority of children love PE lessons and school sport. <b>10. Improved participation in community sports clubs and events</b>	Children at school attend these clubs: Southgate football, PAFC, Launceston Hockey, Launceston Swimming, Launceston tennis, martial arts and cricket. Children and parents have commented that their child now goes to a club because they have been introduced to the sport at St Stephens.	Children at school attend these clubs: Southgate football, PAFC, Launceston Hockey, Launceston Swimming, Launceston tennis, martial arts and cricket. Children and parents have commented that their child now goes to a club because they have been introduced to the sport at St Stephens. E.g. hockey, cricket and football	PAFC involvement at school has led to a large number of children attending their after school clubs held at St Stephens. Children also attend their development centre and holiday clubs held in the local area. Children from St Stephens continue to attend a range of community clubs which the school has links to.

### Pupil Groups 2013/14: Review 07/14

<b>Key Pupil Group:</b>	<b>Impact Review:</b>
<b>Pupil Premium Grant (PPG)</b>	All children in this group have had access to the provision in school hours. Just over 50% of this group of pupils have taken part in clubs or teams this year. School are funding attendance at PAFC for pupil premium children as necessary. The children who have not been engaged in out of school hour's activities will be targeted next year. A change for life club will start in September and we will invite children to this club. New clubs will also start to try to provide a range of clubs for different age groups. For example KS1 multi skills and dance.
<b>Gifted and Talented (G+T)</b>	High quality PE provision for all has been provided for all groups. Children in this

	group have also had access to clubs where they join older, more able children than their own year group. For example 2 Y4 boys have trained and played for the Y5/6 football team and a Y3 girl has trained with the Y5/6 netball club. This has also happened for cricket, athletics and hockey. All Identified children have represented school in teams this year apart from some in F & Y1. (85%)
<b>Lifestyle Awareness (LA)</b>	Lifestyle awareness has been promoted through the high profile of PE and sport in school. Bike-ability has been offered to children in Y5 and 6. Children know why exercise and healthy diet is important. This is also specifically taught in Y5, Y3 and Y1 as part of topics/science. Some children in this group are not participating in extended sporting provision (50%). These children have been identified and when clubs start in September they will be encouraged to join them. The range of clubs will be extended to try to appeal to all children. Where groups of siblings don't attend an effort will be made to allow them to attend clubs on the same day/time.
<b>Physical Development (PD)</b>	For pupils in this group teachers have stated that the new provision in particular has been very good (Zero gravity). Swimming has also helped many of these children with being stronger and more confident. CPD for staff through observations of lessons has helped them to provide appropriate activities in addition to normal PE lessons. Children in the ARB have also accessed rebound therapy, swimming and a sports-ability festival. A new multi skills club will start in September.

### Pupil Groups 2014/15: Review 07/15

Key Pupil Group:	Impact Review:
<b>Pupil Premium Grant (PPG)</b>	All children in this group have had access to the provision in school hours. Just over 60% of this group of pupils have taken part in clubs or teams this year. The increase has been partly due to the provision of a Change for Life club at KS2. School has funded a TA to attend PAFC to support PPG children helping them to access the club. School has also funded a TA to attend the Change for Life Club and Y3/4 football club again to support PPG children to attend. The children who have not been engaged in out of school hour's activities will be targeted next year. New clubs will also start to try to provide a range of clubs for different age groups. For example KS1 multi skills and dance as part pf a creative arts club.
<b>Gifted and Talented (G+T)</b>	High quality PE provision for all has been provided for all groups. Children in this group have also had access to clubs where they join older, more able children than their own year group. For example a Y4 boys has trained and played for the Y5/6 football team and a small group of Y4 girls have trained with the Y5/6 netball club. This has also happened for cricket, athletics and hockey. The school hockey team

	came 3 <sup>rd</sup> in Cornwall school Games. 2 boys in the team were part of the winning U10 boys West of England team. All Identified KS2 children have represented school in teams this year.
<b>Lifestyle Awareness (LA)</b>	Lifestyle awareness has been promoted through the high profile of PE and sport in school. Bike-ability has been offered to children in Y6. Children know why exercise and healthy diet is important. This is also specifically taught in Y5, Y3 and Y1 as part of topics/science. Some children in this group were not participating in extended sporting provision These children were identified and encouraged to join the Change for Life Club. This club was run all year and identified children were encouraged to attend with a good level of participation as a result. A KS 1 multi skills club was also run and children invited to attend. Where groups of siblings didn't attend an effort was made to allow them to attend clubs on the same day/time. Cricket club on Friday lunchtime was very well attended with the groups having to be split to allow all those who wanted to attend to be able to.
<b>Physical Development (PD)</b>	Once again, for pupils in this group teachers have stated that the provision by Zero Gravity (working on core strength and fundamental motor skills) has been very good. Swimming has also helped many of these children with being stronger and more confident. Bikeability has allowed some children to develop their basic skills in cycling. CPD for staff through observations of lessons has helped them to provide appropriate activities in addition to normal PE lessons. Children in the ARB have also accessed rebound therapy, swimming and a sportsability festival
