

Foundation Stage - Home Learning Grid

Me and You!

In addition to daily reading, please complete one of the English or Maths activities each week. Homework books need to be handed in every Wednesday and will sent home again on a Friday.

You only need to complete one of the topic activities over the next 4 weeks. This needs to be in school by the 4th October.

Learning can be recorded in any format in addition to your home learning book (e.g photos, models etc)

	1	2	3	4
Maths	Learn to play a board game with your family.	Find out when your birthday is. How old will you be?	Look for numbers in your home or when you are out and about. Can you recognise the number? Where did you see it?	Paint or draw around your family's handprints. Can you cut them out and order them from smallest to largest?
English	Draw a picture of your family and try to label it.	Bring in a photo of when you were younger and tell us one way you have changed.	Talk to someone at home about what you would like to be when you grow up. Can you find out more information from talking to someone who would know, looking it up in a book or using the internet?	Draw 3 things that you could do to stay healthy and try to label it.
Topic	Talk about what you are good at. Take a photo, draw or make something to show what you are good at.	Draw or paint a picture of where you live.	When at home go outside and listen carefully to what you can hear. Draw a picture of 3 things you can hear in the garden or your home.	Take a photograph of something in your local area (for example, the castle, the park...). What can you tell us about it?
