

St Stephens Community Academy

PTFA Summer Fayre 2018

Sat 21st

July

11am

to

3pm

How can you support your school's PTFA?

Please come along and join the fun of the fayre!

Bring your friends and family! Spread the word!

Also check out some of the activities happening below and help wherever you can to make this a Summer Fayre to remember! We look forward to seeing you there!

Miniature Garden Competition

We are asking pupils to design and make a miniature garden using a range of recycled and natural materials! We ask that entries are created in a tray that is 30-40cm approx. in diameter ... why not use a lid of a biscuit tin or a seed tray? There is a prize for one winner from each group out of Preschool, KS1 & KS2. All entries need to be brought into school the day before the Summer Fayre (20th July) along with a 50p entry fee. Please mark clearly with the child's name and class. All entries will be on display during the Fayre. Winners will be selected by our special guest, Mayor Margaret Young and announced before the raffle at 2.30pm.

Table top sale

We have a few local businesses and crafters joining us on the day, but we are also inviting parents/carers to join us to sell their own unwanted/preloved toys, clothes, books, games or household items. Tables will be just £5 each and all profits made from your own sales is yours to keep. To reserve your table, please send £5 into school asap marked clearly with your name, your child's name and class and a rough description of what you'd like to sell.

(We will provide a large table for you to use)

Tombola

We are looking for donations of new/unused items for our general tombola (unwanted gift sets, sweets, tins, bottles, tins of biscuits etc).

Please send children into school anytime from now until 20th July with any items that would be suitable.

Thank you.

Year 6 helpers

If any Year 6 children are coming to the Fayre, we would very much appreciate a couple of hours of their time to run some of our activities. We wouldn't expect them to help the whole time as the Fayre is for them to enjoy too (unless of course they wanted too!) but it is a great opportunity for them to gain in confidence, independence and communication skills ahead of their next steps to college and obviously be part of a special day for our school.

Please indicate if you are happy for your Year 6 child to help on the day, for how long and how they will make their way home. Please detach and return to school.
