Special Educational Needs and Disabilities Local Offer

Offer approved by Local Governing Advisory Body: **September 2023** Offer Next Review: **September 2024**

An Daras Multi Academy St Stephens Community Academy Our 'Local Offer' for Special Educational Needs and Disability (SEND)

Our local offer details the provision that we provide within the Academy and the services that we access in order to make the best endeavours to meet the needs of all children within the school, including those with additional needs and disabilities. This offer links with St Stephens Community Academy Improvement Plan and the Pupil Premium Improvement plan. It details the provision offered by the Academy, links to the performance management of all staff and ensures that the Academy Budget shows value for money. This plan details the provision we have in place to ensure that your child is included in the school's long-term aim, to be in the top 10% of schools Nationally. All staff and the Governors are involved in monitoring and evaluating the provision provided annually and are responsible collectively for the successful implementation of the offer to ensure success and achievement for all pupils including those with additional needs and disability. The plan links directly to our Special Educational Needs, Equality and Diversity and Pupil Premium Policies and encompasses the vision provided within these policies. The offer is monitored closely through evaluation on a regular basis by all involved. All staff are provided with relevant and appropriate training in order to ensure that they are taking their best endeavours to ensure that the offer detailed is being met at all times.

St Stephens Community Academy acknowledges that children with SEND may have faced multiple barriers to learning over the period of school closure due to the impact of Covid-V19. Applying the principle of equity, our team will consider how to provide additional and appropriate support where it is most needed in order to maximise engagement with learning. We will ensure we maintain a humane approach concerned with the fundamental wellbeing and positive development of our pupils.

The universal offer to all children and YP		1
 Staff are aware that every social interaction they have with a child is an opportunity to support and develop a child's emotional wellbeing. All students have opportunities for social interaction, regardless of need. All students belong to an age-related class. All students are invited on trips and visits regardless of ability or disability. Residential trips in Key Stage 2 challenges and encourage the development of age-appropriate social skills. Regular enrichment experiences throughout the year for class groups. Wild Tribe / Forest School activities throughout the year. All children have opportunities to participate in whole school events such as House Sports Competitions Pupils have speaking and listening opportunities such as show and tell, storytelling, circle time, pupil's assemblies and assemblies with visitors. 	 All staff are trained to and are encouraged to support the social interaction of students. Peer mentors / buddies for targeted children Older students take the role of playground leaders to act as 'buddies', encouraging younger children to become involved in a range of games. Lego Therapy groups to target pupils communication and social interactions and group working skills. 	 Individual screening will be used to assess the social and emotional needs of individual children and shared with all adults in the classroom. Learning mentors or LSAs use social stories with individual students to manage difficult situations or changes e.g. enrichment visits. Older students are used to support and 'buddy' younger students with SEND where appropriate. Additional support from outside agencies as required.

Whole school approaches The universal offer to all children and YP	Additional, targeted support and provision	Specialist, individualised support and provision
 Staff are aware of how the school environment can be used/adapted to suit the emotional and learning needs of children in their class. They recognise that each cohort is different and organise their class environment to reflect this. All areas of the school are accessible to everyone including those students with SEND. All areas of the school have wheelchair accessible classes and disabled toilet facilities. Pupils feel safe in an environment where bullying is minimal and dealt with effectively. There is a named child protection officer, designated safeguarding officer (and deputies) and a named 'Child in Care teacher' in school. All areas of the school are uplifting, positive and support learning. Teachers focus on rewarding good behaviour to promote a positive learning environment. The rewards and sanctions system is robust and displayed around the school. Step edges are painted yellow with non-slip paint for visually impaired pupils / parents. Hessian backed boards with clear borders to support sensory processing disorders 	 Disabled toilets are available in the ARB, Key Stage 1 & 2 Chairs and tables of different heights are available. There are named adults who are Team Teach trained around the school with a rolling programme of training by the ADMAT trainers to ensure that all adults are able to use the de-escalation techniques to promote positive handling. Provision is made for pupils who need a quiet and supervised area when they are unable to cope during unstructured times. Coloured enhanced IT screens to ensure work presented is dyslexia friendly. Pictorial cues, use of Widget symbols. Visual timetables to support routine and predictability of the school day. Sensory breaks as required. Individual workstations as required. Whole school approaches The universal offer to all children and YP	Additional, targeted support and provision	Specialist, individualised support and provision
 There are robust procedures in place to support all our pupils through their key transition phases. Primary children visit Launceston College regularly for specific events, especially Yr6. Secondary staff visit Year 6 prior to transition. Taster days for pupils in Year 6 and two induction days for Year 6 students are arranged at their designated secondary placement. Secondary placements invite specific students to attend summer school. Transition sessions are arranged for children in each year group to experience their new class and meet their new class teacher. Pre-school pupils are invited into our Foundation class for a range of transition days with and without parents before starting at school. Meetings are held between the present and the receiving class teacher. Meetings are held between the present and the next class teacher. 	 Buddy or Peer systems are in place for students who are particularly vulnerable at transition. Pupils who are identified as possibly struggling with transition have additional visits in small groups as required. A key worker / LSA is in place for SEND pupils. A transition passport is put together. Communication with the transition school is robust. Adults are aware of the emotional trauma some children experience when moving on to a new class / setting / teacher/ LSA etc. Positive support principals are used to prepare and support children for change. One Page Profiles for pupils with SEND / specific additional needs identified. 	 The Secondary Pupil Support Partner / SENDCo attends Year 5 and 6 annual reviews. At times a pupil may require a key worker at their secondary school who will support transition visits during Yr6 Our pupils have a structured and gradual transition package from setting to setting and from year to year. This ensures that they are familiar with routines; key members of staff; running of the school day, environment; geography of the school and transport arrangements. Our pupils with SEND have extra / enhanced visits to college in Year 6. Where necessary, our pupils will be supported by an Early support plan to ensure transition planning is robust and meets the needs of the individual. Pastoral Team members will support individual pupils through transition phases. Social stories/ transition booklets sent home to share with parents.

Answers to Frequently Asked Questions

1. How does your school know if children/young people need extra help? Close tracking and monitoring against National Curriculum age related expectations

2. What should I do if I think my child may have special educational needs? Make an appointment to talk to your child's class teacher to express your concerns, they will signpost you accordingly

3. Who/what is responsible for the progress and success of my child in school and matching the curriculum to my child's needs? A close partnership must exist between yourself and the class teacher.

4. How will school staff support my child? Close tracking, monitoring and tailoring of opportunities based on your child's needs accordingly

5. How will I know how my child is doing and how will you help me to support my child's learning? By meeting your child's class teacher regularly and attending open school opportunities

6. What specialist services / SEND training and expertise are available at or accessed by your school? Please refer to the family information service website (<u>http://cornwall.childrensservicedirectory.org.uk</u>) or talk to the SENDCo regarding additional services. All staff receive regular and appropriate SEND training as required.

7. How will my child be included in activities outside the classroom including school trips?

All children are involved in all activities where appropriate and suitable support put in place accordingly. All environments are made accessible and risk assessments are carried out accordingly.

8. How will school prepare and support my child through the transition from class to class, key stage to key stage and beyond? Regular and thorough transition activities are provided for all children throughout the summer term and beyond.

9. How is the decision made about what type and how much support my child will receive?

This is dependent on your child's need, funding provided and what is appropriate and right at the current time for your child in close consultation with all involved with your child (outside agencies, family partnerships, teachers and all school staff)

10. Who can I contact for further information?

There is a great deal of advice on the Family Information Service website regarding additional needs <u>http://cornwall.childrensservicedirectory.org.uk</u> Alternatively please speak to your child's class teacher for signposting to additional services.
