**'Together towards a bright, positive
and successful future'**

Wednesday 31st January 2018

Dear Parents,

Due to the current growth expectations of An Daras MAT we are restructuring our leadership arrangements to ensure we have additional improvement capacity to support both our existing schools and any new schools joining An Daras. Therefore Mrs Saunders will be leaving the post of Head of School at St Stephens Academy directly after half term to take up a newly created MAT Leadership and Improvement Officer role based at Windmill Hill Academy. Mrs Saunders will still be visiting St Stephens regularly under her new role as MAT Improvement Officer with a range of focuses such as assessment, monitoring and teaching and learning.

Whilst the recruitment process for a new Head of School at St Stephens gets underway Mrs Hooper, Ms Neale and I will provide daily leadership for the school until a substantive appointment is made.

Mrs Charrett-Dykes will also be leaving her learning tutor role at St Stephens after half term to teach in Year 3 at Windmill Hill Academy until the end of the academy year.

We would like to thank both staff members for their commitment, time and energy at St Stephens.

Yours sincerely

W. Hermon
CEO/ADMAT
