Dear Parents/Carers

I am writing to inform you that our consultation period for the ' Relationships, Sex and Education' policy has come to an end. Many thanks to those of you who asked questions and considered the information /content that your child will be taught in this new framework. 'Relationships Education' is compulsory in all primary schools in England from September 2020.

Our policy and practice is in line with the new statutory guidance from Cornwall County Council and is taught through the Brook Learn Programme. By following this we will be meeting all statutory government guidance for mandatory relationship and sex education and all PSHE Association principals and outcomes.

Further information can be found on our school website under the Key Information tab and then the PSHE /Relationships and Sex Education link.

If you have any further questions, please email them to ststephens@andaras.org or ask to speak to Mrs Furber or Mrs Paul.

Kind regards

Maura Furber
