DO YOU CE THE SIGNS OF CHILD EXPLOITATION?

Exploited children and young people don't always behave like victims, but there are some key signs to look out for that can tell us they might be in danger.

If you're worried about a child or young person, it's important that you tell us. Contact the Multi-Agency Referral Unit today on **0300 123 1116** or email multiagencyreferralunit@cornwall.gov.uk

Please dial **999** if the situation is an emergency.
