<p>What I like about my school ...</p> <p>I like: that there are lots of playing areas and lots of land; that we have a lot of fun and laugh a lot, that my teachers are kind and caring; my friends; that this is the kindest school I have ever been to; the long lunch; PE; maths; assemblies; that there are always lots of different activities; that it is a safe place to express your feelings; everything except the subjects around English; Year 2 joining us at lunchtime because some of them hug me and I get to see my brother; how the teachers help and support me and how they help me and my friends fairly if we are confused.</p>	
<p>What I would like to change at my school ...</p> <p>I would like a class pet, quicker power points, playground swings, homework to be more fun, more play equipment, to go on the trim trail more, more wild spaces, more chickens, more football goals, all the lessons to be equal in a week and more football,</p>	
<p>Overall Conclusions:</p> <p>The vast majority enjoy being at school, enjoy the learning they are doing, trust the staff and feel there is someone they can go to if they need to.</p> <p>Next Steps:</p> <p>Look at how to increase variety and challenge in learning while supporting the whole class.</p>
